

**The Solo Scale System: 4-Week Action Cohort**

**SCALE TO \$10K/MO  
WITHOUT BURNOUT**

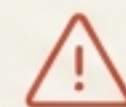

# The \$29 E-Book Trap Demands Impossible Volume

1,000 Sales Needed  
for \$29k Revenue

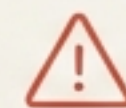

## Trading Time for Peanuts

- 70-hour manual hustles drive extreme solopreneur burnout.

## Zero Lifetime Customer Value

- No post-purchase retention, expansion, or recurring loops.

## Constant Algorithm Fatigue

- The endless treadmill of needing top-of-funnel virality just to survive.

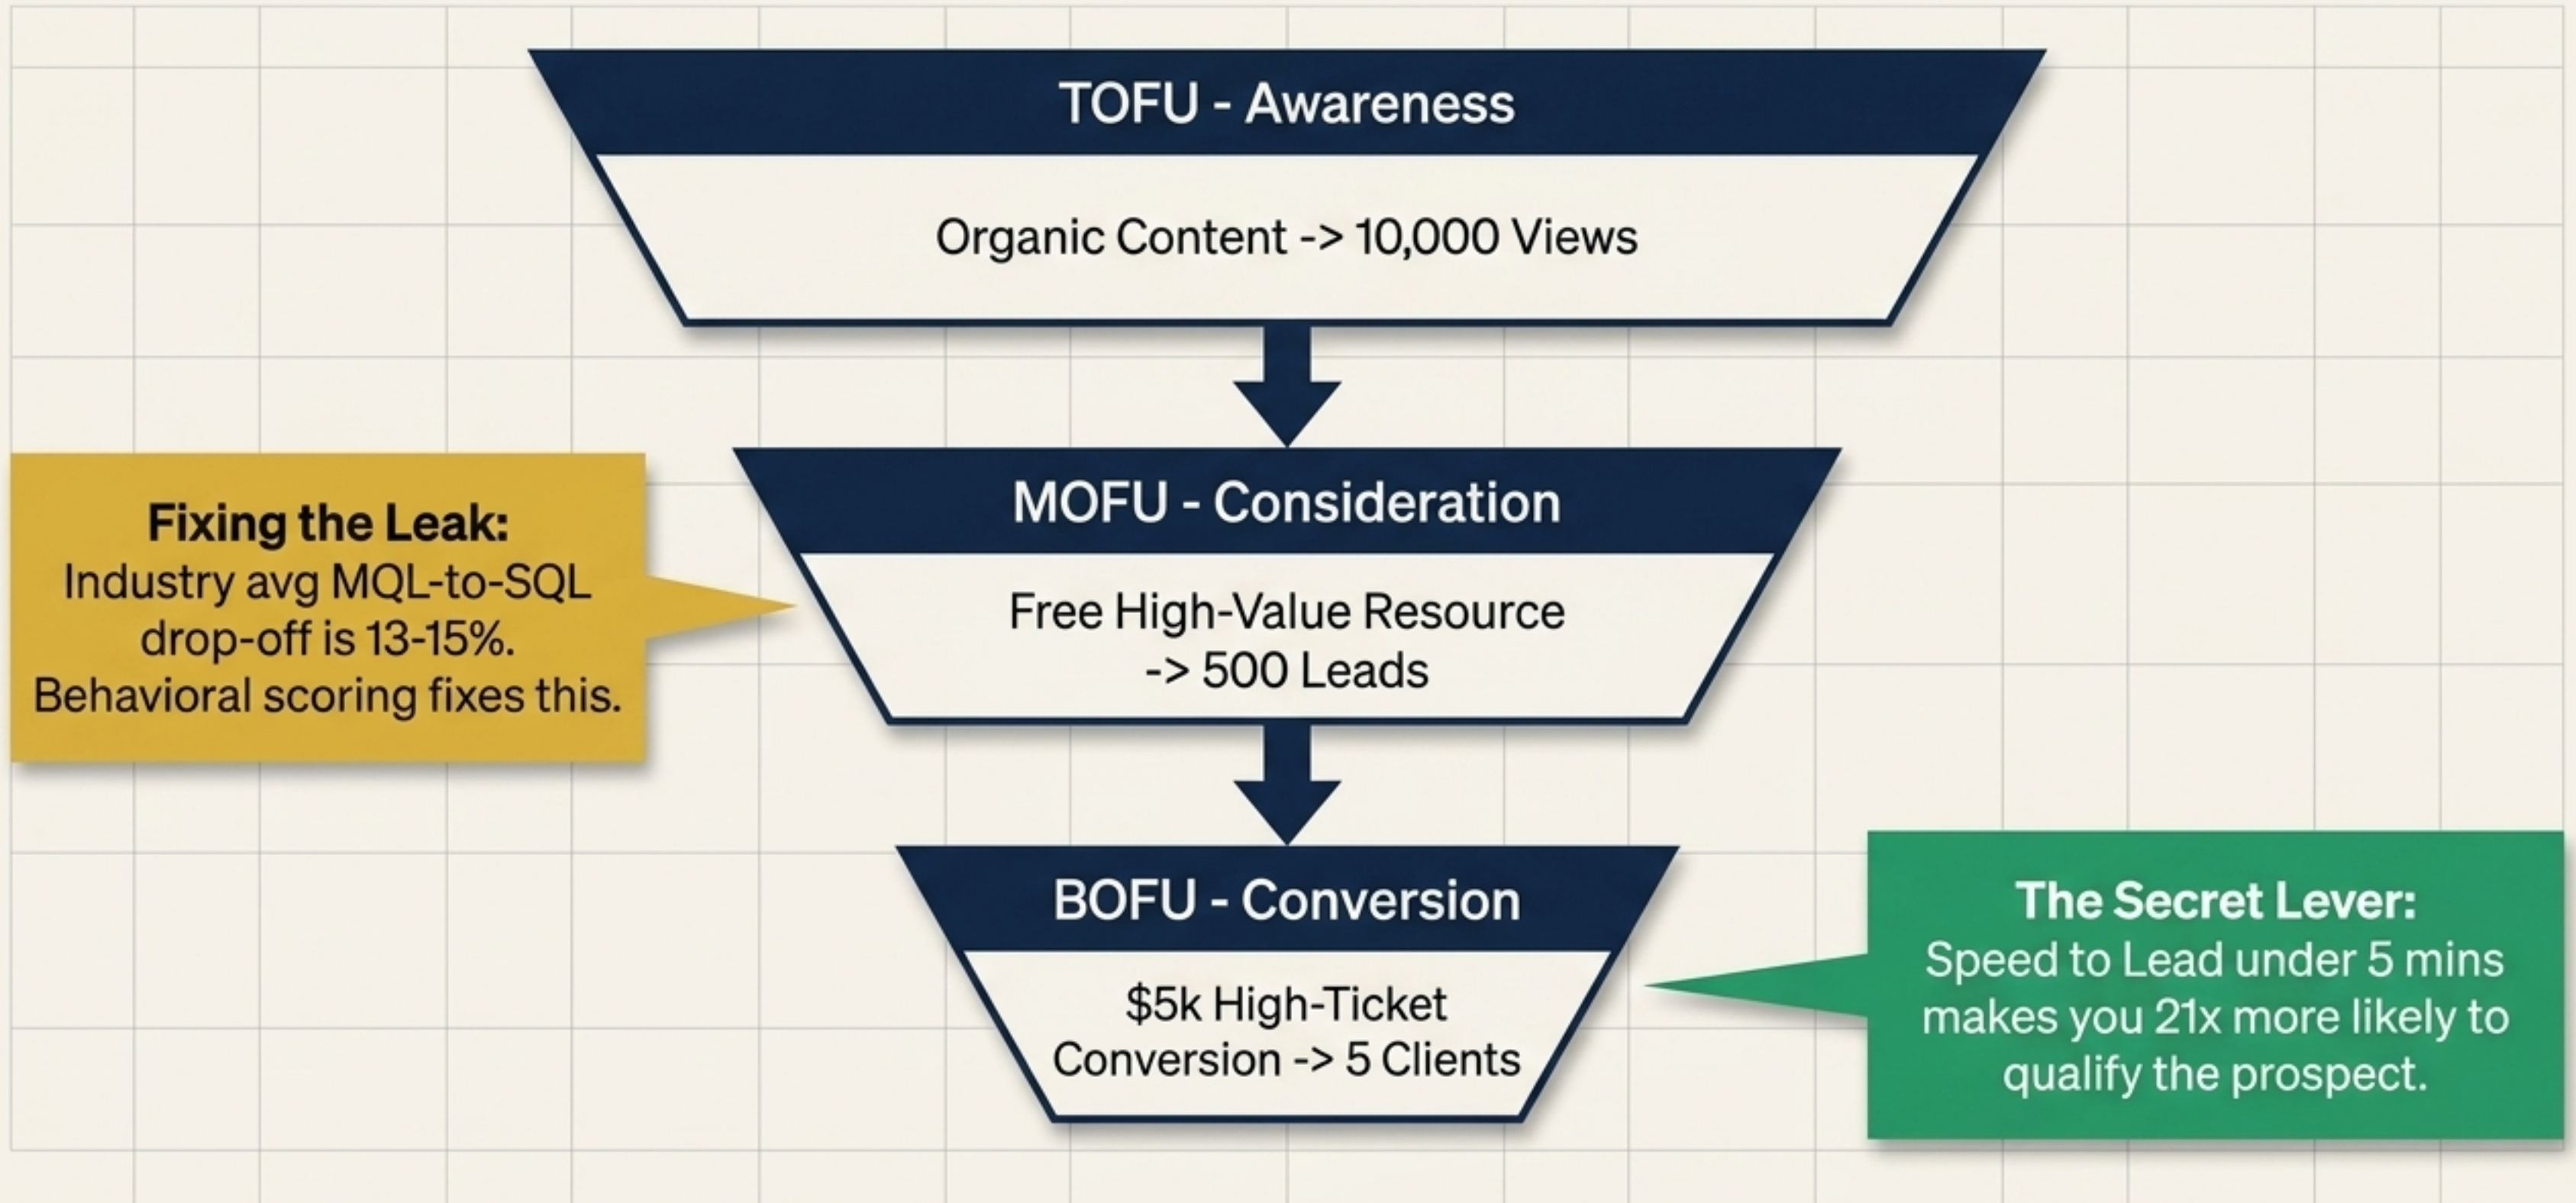

# Escaping the Hustle Requires a Structural Paradigm Shift

| The Old Way                                | The Solo Scale Method                     |
|--------------------------------------------|-------------------------------------------|
| ✗ Selling \$29 E-books                     | ✓ Selling \$5k High-Ticket Offers         |
| ✗ Manual lead follow-up & fragmented tools | ✓ Automated delivery tech stack           |
| ✗ 70-hour weekly hustle                    | ✓ 4-hour weekly fulfillment systems       |
| ✗ High churn and zero backend revenue      | ✓ 80% profit margins with expansion loops |
